Agenda Date: November 27, 2012

Previous Action taken by the Board: None

Board/Commission Actions: None Required

Action Requested (Recommended): Approve the terms of the Agreement, adopt the Agreement and authorize the Chairperson to execute the Agreement on behalf of Polk County.

Comply with Policy: Yes

Background: Since 1994 the Polk County Public Works Department has provided various administrative and maintenance services to the Polk County Aviation Authority (PCAA) for the Ankeny Regional Airport. Due to changes in work force and equipment operation priorities within the Public Works Department, it was deemed necessary to terminate the existing Memorandum of Agreement with the PCAA which provided that the Public Works Department perform snow removal services at the Airport. Because equipment used by Public Works to perform snow removal at the Ankeny Regional Airport is specialized in nature for use at airports, it would be beneficial for the PCAA to have this equipment at their disposal for continued snow removal operations. Therefore the Public Works Department has developed the attached "Agreement For Purchase of Used Equipment" for the sale of the used airport snow removal equipment to the Polk County Aviation Authority.

Action Impact: Allows for the purchase of used snow removal equipment by the Polk County Aviation Authority.

Fiscal Note: Equipment originally purchased through Public Works Department budget, therefore proceeds of $184,860 to be deposited into the Secondary Road Fund.

Comply with Policy: Polk County Management Plan developed pursuant to Iowa Administrative Code 441 Section 25.13(2)f-g

Background: Polk County contracts with selected providers in Polk County to provide services to persons with mental illness, intellectual disability, or a developmental disability. If those providers are unable to meet the needs of a consumer and we must use an out-of-county provider or a local provider with whom we do not contract but who meets the criteria adopted by the Board of Supervisors in the Polk County Management plan. The Polk County Board of Supervisors has appointed the Polk County Service Appeal Board to review each request for services outside of Polk County or for services by local providers who the county does not contract with, to determine whether the service request is in the best interest of the consumer and the county, and to maintain client confidentiality.

Action Impact: The Polk County Service Appeal Board has determined that the services requested in the attached resolution are in the best interests of the consumers and the county. The Board of Supervisors in the counties where the providers are located have approved the proposed reimbursement rates. The attached cost summery outlines the services and the proposed costs that were reviewed and approved by the Service Appeal Board.

Tuesday Agenda Memorandum

Item Type & Title: Resolution approving Polk County Annual Urban Renewal Report

Agenda Date: November 27, 2012

Contact Individual: Deb Anderson, Budget Manager
515-286-3016

Previous Action taken by the Board: None

Board/Commission Actions: N/A

Action Requested (Recommended): Approval of annual urban renewal report

Comply with Policy: N/A

Background: House File 2460, enacted during the 2012 legislative session, increased urban renewal reporting requirements for municipalities. To implement the legislation, the state Department of Management developed an online reporting system wherein each levy authority with urban renewal areas is required to enter urban renewal information. Required information includes urban renewal area effective dates, outstanding TIF debt obligations, TIF fund balances, and job creation associated with urban renewal projects.

Polk County has three urban renewal areas in effect:
(1) Polk City North
(2) Saylorville Business Park, and
(3) NE 46th Avenue

The budget office has worked in conjunction with the Auditor's office to compile the necessary information and ensure its accuracy. Staff presented an update on the purpose and status of these projects at a Board staff meeting on November 7th and circulated the report to the Board for their review prior to today's meeting.

Action Impact: Approves content and filing of annual urban renewal report

Re: Lease of Facilities dated as of June 1, 2011 (the "Lease"), by and between the Iowa County of Polk, ("Landlord") and Prairie Meadows Racetrack and Casino, Inc. ("Tenant"), for the property located at One Prairie Meadows Drive, Altoona, Iowa, known as Prairie Meadows Racetrack and Casino (the "Leased Premises")

Dear Angela:

This letter, when executed by Landlord and Tenant in the spaces provided below, will constitute our supplemental letter agreement regarding the above-referenced Lease. Any capitalized term used herein and not defined herein shall have the same meaning ascribed to it in the Lease.

Tenant agrees to amend Paragraph 3(a) of the Lease to provide that for calendar year 2014, the additional payment from Tenant to Landlord shall be the greater of $10,400,000 or 5% of Tenant's Adjusted Gross Receipts, subject to and conditioned upon Landlord approving (i) the casino remodeling to the Leased Premises in calendar year 2013 as proposed by Tenant to Landlord in a public meeting held Wednesday, October 24, 2012, a one page summary being attached hereto as Exhibit 1 (the "2013" Casino Renovation); (ii) the casino remodeling to the Leased Premises in calendar year 2014, which will be continuation of the 2013 Casino Renovation at a cost estimated by Tenant to be similar in amount to the cost of the 2013 Casino Renovation; and (iii) Tenant's purchase and installation of a new Marquee Sign with a cost of approximately $750,000 (see Exhibit 2 attached hereto). Tenant further agrees that any declination in Tenant's Adjusted Gross Receipts for calendar years 2013 or 2014 shall not be cause for Tenant to invoke Paragraph 3(d)(2) of the Lease. Except for the foregoing, all other terms and conditions of the Lease remain unchanged.

Landlord and Tenant hereby evidence their agreement to such provisions by signing below.

Yours very truly,

Extension Of Conditional Notice Pursuant to the Worker Adjustment and Retraining Notification Act

Dear Madams and Sirs:

We are writing to update you on the conditional WARN notice that you received from the Company last month regarding the potential occurrence of certain events that could lead to employee separations from the Company in your geographic area.

The Company's bankruptcy proceedings remain ongoing. Several of the unions representing Company employees obtained member ratification of the modified collective bargaining agreements the Company negotiated with those unions necessary to allow the Company to emerge from bankruptcy successfully. The Bakery, Confectionary, Tobacco Workers and Grain Millers International Union ("BCTGM") members and members of some of the other unions representing Company employees did not ratify the modified collective bargaining agreements applicable to them. The BCTGM began picketing at certain facilities on November 9, 2012 and has initiated strikes at many of our bakeries.

As we stated in previous notices, in the event of a failure to ratify the modified collective bargaining agreements or a strike, the Company will likely not be able to emerge successfully from bankruptcy and will have to begin to sell all or portions of its business and/or wind down its operations and liquidate, which would lead to employment separations shortly thereafter. **As of the date of this letter, the Cincinnati, Ohio, Seattle, Washington, and St. Louis, Missouri plants have been closed because ongoing strikes have crippled production at these locations.** Other facilities may be shutdown in the future as a result of the impact the strike has had on production at those facilities.

Our primary focus continues to be on completing a restructuring of the Company and emerging from chapter 11 as a viable company. It also remains possible that, despite our best efforts, the Company may be required to sell all or portions of its business and/or wind down its operations and liquidate because of the occurrence of any of the events identified in the notices sent to you, including but not limited to the ongoing strike.

Based on the best information available to the Company at this time, we believe that the Company should know by on or about December 1, 2012 whether the Company will have to begin selling portions of its business and/or wind down its operations and liquidate, which would lead to employment separations within 14 days thereafter. Employees employed by one of the closed facilities identified above will be notified prior to December 1 of their termination dates. If you have any questions, or would like further information, please contact our ASKHR call center at 1-800-Hostess (1-800-467-8377).

Very truly yours,
